

RESOLUTIONS ADOPTED IN THE LAST GENERAL BODY MEETING HELD ON 21ST SEPTEMBER, 1995

1. From 1993-94 onwards, the IARI Alumni Association will have only two types of membership, Life Members and Student Life Members. The later will automatically become Life Members on leaving the P.G. School after completion of their degrees.
2. The subscription for both types of members shall be Rs. 200/-
3. One Student Representative shall be included in the Executive Committee. The Student Representative will be elected by Student Members of the Association on annual basis along with the PGSSU elections.
4. The Student Life Members till they are on the rolls of the P.G. School, are eligible to elect only the Student Representative and will not have any other voting right for electing other members of the Executive Committee.

ASSOCIATION'S ACTIVITIES

Association Got an Office :

After over twelve years of formal existence and consistent efforts by the present Executive Committee, a room (No 24, Soil Science Building) has been recently allotted to IARI Alumni Association. This room will be equipped with facilities for secretariat work and also for holding Executive Committee meetings. This achievement of the present E.C. will not only help in smoothly carrying out the secretariat work but will also serve as a common place for interaction among alumni and with the office bearers. The various activities of the Association can now be planned and organised more effectively.

Brochure :

The present Executive Committee immediately after assuming office brought out a Brochure (a small printed folder), highlighting the objectives, activities, membership details etc. of the Association and benefits to its members which was sent to all the members in January, 1996. This brief

folder has proved very useful particularly in introducing the Association to new members and to any one interested in our activities.

Emblem :

The present 'Emblem' of IARI Alumni Association has been made out based on a competition for 'Design of Emblem' organised by the Association from January 10-20, 1997 and selected by a committee of experts from among

18 designs received. The Emblem was formally released by Prof. R.B. Singh, Director, IARI on February 6, 1997 before the participants of Alumni dinner on the eve of XXXV IARI Convocation. Mr. P. Venu, Ph. D. Scholar, Division of Plant Physiology, IARI is credited to this emblem who was also given a certificate and a prize of Rs. 500/- at this function.

Prof. R.B. Singh, Director, IARI, releasing the 'Emblem' of IARI Alumni Association (above) and presenting a certificate and prize to winner of Emblem Design Competition Mr. P. Venu, Ph.D. Scholar, Division of Plant Physiology, IARI on the occasion of Alumni Dinner organised on the eve of 1997 IARI Convocation.
